

The Oakley's have arrived in Swaziland!!!

We spoke with Truman yesterday (Friday) and they arrived safe & sound. He said their house is great, it's actually bigger than the one they had here. They are trying to settle in before they leave for Zambia on Sunday for their 40/40 training. They can receive email, but can't send yet, but are hoping to have that fixed soon (maybe today) and will send an update as soon as they can. Please feel free to email them anytime, they would love to hear from you. trumanandbecky@yahoo.com

Thanks for all you thoughts and prayers and please continue to pray for them. We have prayer cards as a reminder to pray for them. Anyone that would like one, please let me know.
